Management Development Program

Priming Senior Management and Executives
for the Highest Level of Leadership

OVERVIEW

Emerging technologies, disruptive innovation and transformational changes in today's business environment have an immense impact to organizations and their leaders. To thrive in a Volatile, Uncertain, Complex and Ambiguous (VUCA) world, companies must accelerate business agility and embrace new leadership capabilities to achieve breakthrough levels of organization performance.

The Management Development Program, an enhanced and accelerated leadership program, is tailor-fit for executives and leaders who are constantly managing change in order to lead, inspire, and transform a hyper-connected workforce. Often tagged as a full-360, non-degree mini-MBA, the program primes participating executives for self-awareness, personal mastery and transformative leadership in today's business context. The program is designed to challenge the participant's mental toughness, management cadence, big-picture thinking, insightful learning and collaborative leadership.

PROGRAM OBJECTIVES

Through the building block approach, the progression of learning themes, modules and topics deliberately become more complex as the participant engages co-participants, faculty, peers and colleagues as learning partners. The program aims to:

- Develop and prepare participating managers and specialists with functional and business area expertise for greater and broader management and leadership responsibilities
- Deepen participants' cross-functional competencies, learning agility, and cross-border management proficiencies to survive in a VUCA world
- Hone participants' critical thinking and managerial leadership skills for crafting novel and innovative solutions, organizational renewal and engagement, and transformation corporate strategy

WHAT YOU WILL LEARN

- Leading in a VUCA World and disruptive innovations
- Metacognition: Systems Thinking, Critical Thinking, Design Thinking
- Customer Insights Marketing
