Business Leadership Online Program

Achieve Breakthrough Levels of Organizational Performance Through Inspiring and Transformational Leadership

OVERVIEW

The disruptive and transformational changes happening in today's business environment require leadership agility and mental toughness from business leaders. To ensure a sustainable, scalable and viable business, the leader's role has shifted to radically transforming their companies by changing behaviors and capabilities throughout the organization. As a result, Managers must accelerate business agility and embrace new leadership capabilities to cope and achieve breakthrough levels of organizational performance.

As your business responsibilities grow as a manager, your leadership challenges become more complex. The Business Leadership Online Program will prepare managers to lead effectively in times of business challenges, intense competition, financial challenges, pivoting business models, and embracing the evolving digital environment. Participants will return to their company ready to pioneer change, equipped with greater vision and confidence, and inspire others to help drive organizational performance.

PROGRAM OBJECTIVES

The building blocks approach and progression of learning themes, modules, and topics deliberately become more complex, as the participant engages co-participants, faculty, peers, and colleagues as learning partners. The program aims to:

- Develop business acumen and leadership agility of managers
- Deepen participants' capabilities, competencies, management thinking to operate in an intense and challenging business environment.
- Sharpen participants' futures thinking and leadership skills for crafting novel and innovative solutions, organizational renewal and engagement, and corporate transformation strategy.

WHAT YOU WILL LEARN

- The Agile Leader in the Age of Disruption
- Futures Thinking
- Design Thinking and Business Model Innovation
- Marketing in the Digital Age
- Leading and Managing Change in the VUCA world
- Management Excellence and Integration

KEY BENEFITS

The program will challenge the participant's leadership agility, mental toughness, management cadence, big-picture thinking, insightful learning, and collaborative attitude, as well as prime them for self-awareness, personal mastery, and transformational leadership in today's business context.

WHO SHOULD ATTEND

The Business Leadership Program is designed for first-line, middle to upper-level managers, functional leaders and specialists, entrepreneurs, and family business owners. Managers who join the program want to develop business acumen and the ability to lead the organization in a highly competitive environment. They aim to establish themselves from functional experts to business leaders with a big picture outlook of a Business Unit Head, General Manager, or a
