Human Resources Manager Development

Program starts August 2022, February 2023

Human Resources Manager Development

OVERVIEW

The ongoing pandemic has forced companies/institutions to look at how agile their business model and their organizations are. It has also brought the Human Resources function into a more prominent role as companies looked for ways to continue delivering products and services, or pivoted to other business models. Human Resources managers are now being called upon to help lead the organization's efforts to provide the skilled, engaged and agile work teams within the environment of changing health protocols, volatile business environment, employee uncertainties and fears.

How prepared are your company's HR Managers for the increasing demands that are being placed upon them?

By joining the program, participants will increase their capabilities within the Human Resources function and provide them a broader perspective of their role.

With effective HR Managers, the company will have a more engaged workforce who will enable it to reach new heights, achieve breakthrough business strategies and growth, and address an array of organizational challenges.

PROGRAM OBJECTIVES

This interactive online program aims to increase the HR Manager's knowledge of human resources processes and how these align with business strategy, and enhance their leadership skills. The program will teach skills in Strategy, business partnering, coaching skills, labor relations and negotiation, organization development and change management. The program will also update participants on trends in the areas of Talent Acquisition, Total Rewards and Performance Management.
