FACE-TO-FACE ON CAMPUS (8:30 AM - 5:00PM)

- April 14, 2025
- (GMT+08) on all dates

### PROGRAM DURATION & DELIVERY FORMAT

- 16 HALF DAYS
- HYBRID

### PRE-REQUISITE

- A proof of completed Lean Six Sigma or Lean Six Sigma Green Belt training from any school or entity is a pre-requisite for taking the CLSSBB Training in AIM.

### KEY BENEFITS

- Become a recognized leader in process improvement, driving initiatives that align with your organization's strategic goals.
- Enhance your critical thinking and problem-solving abilities using advanced tools and techniques like Design of Experiments, Regression Analysis, and Fault-Tree Analysis.
- Gain career advancement opportunities with the prestigious AIM-CLSSBB certification and expand your professional network with industry leaders.

### PROGRAM HIGHLIGHTS

- Practical, Real-World Learning: Engage with relevant case studies and examples that leverage AIM's international network and learning resources.
- Leadership Skills Development: Learn to lead high-impact projects that drive organizational success (e.g., cost reduction, innovation, customer satisfaction).
- Advanced Tools & Techniques: Gain proficiency in advanced DMAIC concepts, statistical tools (e.g., Minitab, SigmaXL), and problem-solving techniques.
- Expert Guidance: Taught by certified, experienced Six Sigma Master Black Belts and industry leaders.

### PROJECT

- The project spans a twelve-month period, which includes two coaching sessions with our AIM-CLSSMBB professors.
- The project must be approved by both the faculty and management.

### CERTIFICATION REQUIREMENTS

- Certification of Training will be awarded subject to compliance with the attendance requirement.
- AIM LSSBB Certification will be awarded to those who pass the AIM-LSSBB Exam and complete a Black Belt project.

### WHO SHOULD ATTEND

- The program is a must for anyone with at least 3 years of work experience in any industry.
- Enrollees will be assessed by the AIM LSSBB technical committee to ensure right fit and profile. This is to manage mutual expectations beforehand and ensure that the Black Belt candidate is highly committed to the rigor of the AIM LSSBB Certification Training.

### AIM ALUMNI STATUS

- Earn AIM Alumni Status upon completion and gain access to exclusive alumni benefits.
